

**International Conference on Advanced Material Engineering & Technology 2016**  
Kaohsiung City, Taiwan  
8th - 9th December 2016

## **Official Acceptance and Invited Letter**

Dear Dr. Ioana Corina MOGA

Thank you for your submission to ICAMET 2016. We are pleased to inform you that your paper;

**Paper ID:** ICAMET2015-61

**Title:** Improved Dissolved Air Flotation Technology for Highly Polluted Wastewaters  
by  
Ioana Corina MOGA, Ileana Cristina COVALIU and Mihai Gabriel MATAACHE

Due to review of ICAMET 2016 Committees, your paper was accepted as **oral presentation**.

For journal publication it will require a final peer review by journal's editor.

We are pleased to invite you to attend the International Conference on Advanced Material Engineering & Technology 2016. The event will be well attended, and your participation will enhance the aims of the meeting, by helping to create a proper forum for discussion among engineers, professionals and other experts working in areas related to the conference.

We hope that your authorities will grant you the necessary visas and documents allowing you to attend this event and we look forward to welcoming you to Taiwan.

Sincerely Yours,

**MOHD MUSTAFA AL BAKRI ABDULLAH**  
ICAMET 2016 Committee
